OPTIONAL TITLE FOR MY SLIDE

1. First thingy

- ▶ It's important to realize the requirement for quality from the start of the project. It does **not** help to start later on.
 - ▶ It's important to realize the requirement for quality from the start of the project. It does **not** help to start later on.
 - ▶ second thing
- ▶ second thing

2. second thing

YET ANOTHER SLIDE

- ▶ It's important to realize the requirement for quality from the start of the project. It does **not** help to start later on.

YET ANOTHER SLIDE

- ▶ It's important to realize the requirement for quality from the start of the project. It does **not** help to start later on.
- ▶ second thing
